

## Resume (CV)

**Marina Sidorenko**

### Address:

Institute of Biology and Soil Science FEB RAS,  
159 Prospect Stoletiya, Vladivostok, 690022, Russia  
+7 914 712 6563  
[sidorenko@biosoil.ru](mailto:sidorenko@biosoil.ru)

**Objective:** To obtain a position "Member for the Editorial Board" using my communication and promotional skills.

### Education:

Far Eastern State University (today - Far Eastern Federal University), Academy of Microbiology Ecology Biology and Biotechnology (today - School of Life Sciences)  
Major: Soil Sciences  
Minor: Microbiology

**Final Academic degree:** Ph.D. (Microbiology and Soil science)

**Field of Science:** Biology (Soil science, Microbiology)

**Date of Degree:** 2004

**Field of specialization:** Soil and Sanitary Microbiology, Micology, Reproductive Biology, Conservation Biology of rare fungus, Biotechnology

### Employment:

since 2004 - Senior researcher, Institute of Biology and Soil, Far Eastern Branch, Russian Academy of Sciences (FEB RAS), Vladivostok

2003 - 2004 - Researcher, Institute of Biology and Soil, FEB RAS, Vladivostok

1999 - 2003 - Junior researcher, Institute of Biology and Soil, FEB RAS, Vladivostok

### Experience:

Institute of Biology & Soil, FEB RAS

- Leader of a young researcher group on Biotechnology of fungus, 2004-2008
- Leader of students (2004 - present)
- Organized trade-unions of the Biotechnology laboratory, 2001-2003

**Professional Activity:** Dokuchaev Soil Science Society, member  
Russian Academy Natural History, professor

**Languages:** English

### Honors:

- Grant of Primorskij Krai Governor, Russia, 2001
- Certificate to apply the results of research into practice in the competition of young scientists I, the International Scientific Conference "Actual Problems of the Technology of Living Systems", Vladivostok, Russia, 2005
- 1st place in the VII Scientific-Practical Conference "Young Scientists - Agriculture of the Far East", Ussuriysk, Russia, 2007
- 3rd place in the X Scientific Conference "Young Scientists - Agro-Industrial Complex of the Far East", Ussuriysk, Russia, 2007

**Total number of scientific publications:** 71 including 23 reviewed journal papers, and 4 monographs (education books).

**Patents:** 4 patents of the Russian Federation, 1 higher efficiency proposal

**Funded proposals:** Since 2004 - present - Integration Grants and FEB RAS Presidium UB??? RAS, "The Study of Biological Diversity and Screening of the Most Promising Mushrooms and Biosynthetic Capacity of Some Species for Biotechnology ", artist, leader - Acad. Zhuravlev Yu.N.

**Participation in scientific events (selection):**

- 1st Far-Eastern International Symposium on Life Sciences, Vladivostok, Russia, September 2-7, 2008.
- IV International Ecological Forum "Nature Without Borders", Beijing, October, 2009.
- Scientific School for Youth "Prospects for Innovation in Biology", Vladivostok, 2009.
- International Scientific and Technical Conference "Innovative Food Processing", Vladivostok, November, 2011.
- International Boreal Forest Research Association, 15th IBFRA Science Conference «Boreal Forests in a Changing World: Challenges and Needs for Actions», August 15–21 2011, Krasnoyarsk, Russia
- APEC Workshop “Marine Microorganisms: Capacity Building for a Broader Cooperative Research and Utilization”, Vladivostok, Russia, July 12-14, 2012
