

Curriculum Vitae

Abdellah Achachi

Date of Birth: 1949
Personal address Résidence Al Ghizlane Appt 9, Kenitra, Morocco.
Phone: +212665122978
E - mail: achachifsk@yahoo.fr

1985. PhD in physics at Kalinin Leningrad Polytechnic Institute
Become now St. Petersburg State Technological Institute (technical university).
On Power systems and networks.

A. Achachi is the journal's adviser on power systems and networks.

Appointments:

- 1990 Full professor at the Department of Physics, Faculty of Science, University of Ibn Tofail
- 1992-2000 Head of the Department of Physics, Faculty of Science, University of Ibn Tofail
- 1989 Director founder of the Laboratory of electrical engineering, electronics and computer science.

Research Experience and Interests:

- Main field: Power systems and networks.
- Since 1989 He supervised the research projects on
 - Intelligent monitoring and control of electrical transmission networks.
 - Medical electronics
 - Signal and image processing
 - Treatment of non-optical origin (echography, radiography)

Supervision of doctoral theses:

- He supervised 8 research students for PhD and 7 for state doctorate.
- He Supervised 55 students for Diploma in-depth studies.
- He his author of 15 scientific contributions plus 30 abstracts of posters or contribution to congresses

Languages:

- Arabic, French, Russian, English(technical).
