To
The Editor
Mediterranean Journal of Chemistry

I/We would like to submit our manuscript of Original Article entitled “**Study on Phenolic Content, Flavonoid Content and Antioxidant Capacity of *Lansium Parasiticum* Extracts**”.

With the submission of this article, I/We in capacity of corresponding author(s) undertake that;

- In this paper, we report on the phenolic, flavonoid contents and antioxidant capacity of *L. parasiticum* extracts. These analyses were investigated to help in further understanding of *L. parasiticum* extracts potential as defensive mechanisms against oxidative stress by diligently consumed as antioxidants by humans. Therefore, this study aimed to investigate the enolic, flavonoid contents and antioxidant capacity of *L. parasiticum* extracts
- The paper should be of interest to readers in the areas of Nutrition, Food Science, and Community Nutrition.
- All the authors listed in this article have made substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND drafting the work or revising it critically for important intellectual content; AND final approval of the version submitted to Mediterranean Journal of Chemistry.
- I/We also undertake that the article represents valid work. Neither this article nor any part of it has been copied or plagiarized from other works.
- We also undertake that the authors have disclosed all potential conflict of interests associated with the work.
- The Editor of the Journal is empowered to make such editorial changes as may be necessary to make the Article suitable for publication.
